

Ockbrook and Borrowwash Street Lighting Consultation

THE TORY U TURN

Conservative Derbyshire County Council wants to switch off street lighting between midnight and 5 am in villages like Ockbrook & Borrowwash. It refused to conduct a full public consultation on this crazy scheme.

But you shamed them into doing a U TURN.

In Ockbrook and Borrowwash the local Labour Party asked you if you wanted to be consulted! The answer was a resounding **YES!**

NOW DERBYSHIRE COUNTY COUNCIL TORIES HAVE DONE A U TURN AND PROMISE A PUBLIC CONSULTATION ON THE SCHEME THAT NOBODY WANTS!

BUT JUST TO MAKE SURE –please fill in this brief survey to make your voice heard! We will pass it on to Derbyshire CC.
